**STATEMENT OF DISCOVERY THAT REMAINS TO BE COMPLETED**

Should the case not settle at the May 28, 2015, Early Neutral Evaluation, Plaintiffs intend to propound interrogatories and demands for production to all Defendants and to notice depositions of witnesses listed in each of Defendants' Initial Disclosures as well as depositions of persons most knowledgeable for each of the Defendants. MV and Veolia (to the extent Veolia is not dismissed from the case based on its pending Motion for Judgment on the Pleadings/Motion to Dismiss) intend to depose each of the Plaintiffs. Defendants also intend to depose additional fact witnesses disclosed by Plaintiffs in discovery, potentially including Plaintiffs' various health care providers. Finally, based on the testimony taken at deposition, the parties anticipate serving additional written discovery requests.

In order to accommodate the remaining discovery, including the necessary depositions of each of the five named Plaintiffs by Defendants as well as Plaintiffs' intent to depose multiple employees for each of the named Defendants, the parties seek to extend the applicable discovery deadlines as set forth below.

**PROPOSED SCHEDULE**

The parties stipulate and agree that:

1. **Discovery**: The discovery period shall be extended ninety (90) days from June 22, 2015 to September 21, 2015.
2. **Dispositive Motions**: The deadline to file dispositive motions shall be extended up to and including October 21, 2015, thirty (30) days after the proposed discovery deadline.
3. **Pre-Trial Order**: If no dispositive motions are filed, the Joint Pretrial Order shall be filed thirty (30) days after the date set for the filing of dispositive motions. Therefore, the Joint Pretrial order shall be filed no later than November 20, 2015. In the event dispositive motions are filed, the date for filing the Joint Pretrial Order shall be suspended until thirty (30) days after decision on the dispositive motions or by further order of the Court. The disclosures required by Federal Rules of Civil Procedure 26(a)(3), and any objections thereto, shall be included in the pretrial order as required by LR 26-1(e)(6).

This stipulation and order is sought in good faith and not for the purpose of delay. No prior request for any extension of scheduling deadlines has been made.
